

## VFR to IMC, Loss of Control. GA's Great Nemesis.

VFR to IMC even for IFR rated pilots is still a killer. Loss of Control claims many lives.

**Directions:** Pass Old Terminal Bldg, take second entrance (most westerly), pull up to the gate, press buzzer for Hawthorn World Aviation FBO for entrance and directions to the event.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
